ABOUT FALA

The Future Africa Leaders Award (FALA) was created to identify and support young African leaders who have demonstrated exceptional leadership in their communities and beyond, and have contributed significantly to nation-building in the following sectors: agriculture, advocacy, education, entrepreneurship, humanitarian works, technology, and youth empowerment.

This annual award provides a grant to 10 outstanding African youths to support their developmental projects and leadership initiatives. Since its establishment in 2013, the foundation has given \$1,590,000 in grants to 123 deserving young Africans from 28 African countries.

The award ceremony showcases the outstanding achievements of the winners and is televised and streamed live to billions of people worldwide. Ten (10) finalists receive a grant prize of \$10,000 each and a STAR PRIZE WINNER receives an additional grant of \$25,000.

This grant is provided by the Future Africa Leaders Foundation under the auspices of the Chris Oyakhilome Foundation (COFI).
